

The Old Girls Book of Spells: the real meaning of menopause, sex, car keys, and other important stuff about magic

Witchcraft, magic, and spell work are as old as time itself. But the mental pathway that controls thought processes lies dormant for many women. Menopause changes all that - and the Third Eye is free to function. Author Cal Garrison humorously urges women of a certain age to embrace their hot flushes and understand that menopause is a portal that can take them to higher levels of consciousness.
