

Wounded Trapped and Voiceless...

Wounded ... trapped ... voiceless! Imagine being trapped in your own body! A true story of one woman's battle to prove she is alive! Unable to move or communicate, Wounded Trapped and Voiceless draws you into her incredible journey from walking with God to a triumphant emergence from coma to life! Reviews ...this story is absolutely life changing from the title to the very last page. To discover that coma patients can experience all that Phylly shared with us, to the kindness and selfless love demonstrated by Greta in her dedication to helping another human being, we all can learn from this story. A MUST read! Jewell Hall, CEO JMS, Michigan Everyone should read this incredible story! Medical science needs to learn more about this phenomenon and we all need to learn more about faith.....Carolyn Watson, Cancer survivor, Michigan ...thrilling, gripping and exquisitely written.....Publisher review ... so proud of the work you have done on this book! By telling Phylly's amazing life story you give to others your love of life, friendship, hope and Jesus! Kay Cleary, Interior Design, Nevada With God, all things really are possible as this book makes clear. It is a remarkable story and I pray that the book is successful so that the lady in the wheelchair can obtain the rehab that she so desperately needs to be able to stand on her own two feet again. I firmly believe in the message of this book. David H. McClelland, Esq., Michigan
