

Writing the Winning Thesis or Dissertation: A Step-by-Step Guide

The classic guide for masters and doctoral students newly revised and updated! Used in its first two editions by tens of thousands of students, this practical book demystifies the process of writing your masters thesis or doctoral dissertation, taking you through the process one step at a time. Newly revised and updated, this book provides specific models and examples that will guide you through:

- Laying the groundwork for the thesis or dissertation
- Organizing and scheduling your work
- Collaborating with peers
- Using technology
- Solving problems throughout the dissertation process
