

Written Out of Television: A TV Lovers Guide to Cast Changes:1945-1994

Examines cast changes in television programs in nearly four hundred meticulously researched entries filled with new and fascinating television facts and trivia. Each entry features a detailed synopsis of the series, air dates, and listings of the characters and actors who were written out, including the first and last air dates of their appearances. This authoritative, single-volume pop-culture encyclopedia, illustrated with nearly 80 black and white stills, also includes dozens of exclusive and never-before published interviews with the actors, actresses, writers, and producers who were personally involved with each series.
