

The Devil: And How to Resist Him

While most people aren't possessed -- or even harassed by Old Scratch the way some saints have been -- the Devil does try to gain power over everyone's soul (including yours)! This book explores the one time that he revealed himself long enough to let you study his usual plan of attack, and gives you sure ways to counter it. You need this information now if you're going to fend off the Devil's next attack. Until you have it, you're vulnerable ... especially to the dangerously subtle methods he uses against people like you, who know the Devil exists and are already on guard. The wisdom here will quickly strengthen you in your struggles against evil in all its forms.
